

You're invited to our
AAO engagement event

September 16, 2019
6:30pm - 8:30pm
 The Civic Theatre, New Orleans

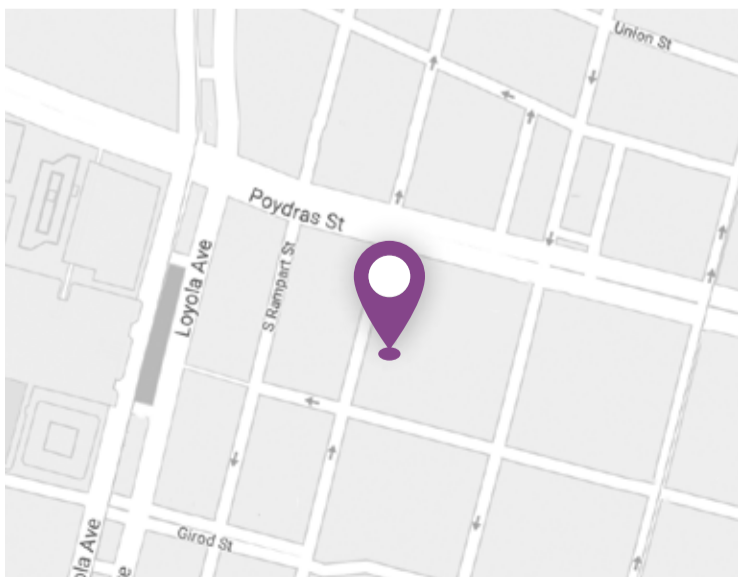

ENT is in the midst of an innovation boom. New technologies are changing how you practice, expanding the options you can offer your patients and leveraging sophisticated engineering to put advanced, powerful, precise tools in your hands. Join Stryker for a night of food, drink, and conversation to explore the science behind our innovations. Join us!
